Rev Timothy Anthony Bryan 1967 – 2008

Rev Timothy Anthony Bryan was a great man who embodied zeal and commitment to his calling as a minister in the New Testament Church of God. We grieve for a great husband, best friend and soul mate to his beloved wife of 15 years Angela who never restricted Tim's calling as he dutifully lived his charge as an anointed servant of God using his gifts and abilities to uplift, challenge and inspire us to be the best we could be. We continue to pray for her strength in this difficult time.

Tim worked for Christian Aid as a design and production manager. He previously managed a small design studio responsible for producing a wide range of health promotion materials and campaigns across the boroughs of Lambeth, Southwark and Lewisham.

He dabbled in photography as he liked to put it and would spend numerous hours at police stations as an appropriate adult for youth in problems with the law.

Fluent in gadgetry – Didn't do tea runs! Involved in a wide range of community and church based projects including youth work, he played the sax and pretended to play the keyboard, bass guitar and drums.

Tim was a member of the Herne Hill NTCG, National NTCG Youth Executive member and consultant to many projects within the New Testament Church of God at the senior level. The legacy he leaves behind is a rich one, Tim transformed the lives of many people far and wide with the word of God and his infectious humour that could turn any situation around. Words would fail us immeasurably for accolades and awards could never truly honour the contribution made by this individual. He gave his life to God and God used him mightily and we are all the beneficiaries of a life lived 24/7/365 for God.

On the morning of Tuesday 22nd July 2008, Tim Bryan rose early as he prepared for another day. The orders he received that day came from on high, Tim was promoted to higher office and the world lost a great man.
